**Von DH Publishing : The Japanese Tattoo Design Handbook Vol.1 (cocoro books 5) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Japanese Tattoo Design Handbook Vol.1 (cocoro books 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The Japanese Tattoo Design Handbook, Volume 1Von DanielEs ist ein klasse Buch welches hauptschlich aus Hochglanzfotos besteht. Eine tolle Anregung fr Leute welche auf japanische Tattoos stehen.Fr den Preis sehr

empfehlenswert.0 von 0 Kunden fanden die folgende Rezension hilfreich. viele, schne BilderVon CustomerFr den Preis als kindleversion kann mann meiner Meinung nach nichts falsch machen und einen kleinen Einblick in die asiatische Tattoowelt erhlt man auch noch ;)

KurzbeschreibungTattooing in Japan goes back to the dawn of the nation's history. The ancient Chinese text Wei Zi of 297 AD relates that all the men of the land of Wa (Japan) wore tattoos on their faces and bodies. What began as talismanic markings used as protection against harm eventually became the decorative tattoos known as horimono. Today, the techniques and designs used in Japanese tattoos are acclaimed worldwide. In this first of two volumes presenting the work of some of Japan's leading horishi, or tattoo artists, The Japanese Tattoo Design Handbook Vol. 1 introduces over 80 on-skin designs from five masters that blend traditional and modern techniques. Fans of body art and tattooists alike will find this both an invaluable sourcebook and a fascinating first-time collection of ink design.
