Das Buch erzhl viele "hinter der Kulissen" Geschichten, von denen man normalerweise nichts erhnt. Das Buch hat in seiner Zeit auch fr Unruhe gesorgt. Das macht es in nachhinein noch interessanter.0 von 0 Kunden fanden die folgende Rezension hilfreich. Jordan Rules and that is for sureVon Ein KundeIf you like sports, basketball, MJ, you will love this book. Sam Smith had the opportunity to get behind the scenes with Michael, other players, management, and others in the Bulls organization. This allows us to be behind the scenes and see what is really going on.Yeah, you learn about Michael's bad habits and some nastiness, but overall you find out what a great man he really is. Highly recommended.0 von 1 Kunden fanden die folgende Rezension hilfreich. A breakthroughVon Roland LazenbyThis is the seminal, breakthrough book in terms of understanding Michael Jordan. It laid out the terrain for all the Bulls books that followed, including my own, Blood On The Horns.

KurzbeschreibungThe New York Times Bestseller, Now in eBook Format and Updated With a New IntroductionThis is the 20th anniversary of the explosive bestseller that changed the way the world viewed one of the greatest athletes in history, revealing for the first time Michael Jordan's relentless drive to win anything and everything, at any cost. NBA Hall of Fame columnist Sam Smith had unlimited access to the team and its players during their championship 1991-92 season, which he details in the new introduction, along with candid revelations about his sources, and the reaction from Michael, his teammates, the media, and the fans when the book blasted onto the bestseller lists in 1992 (where it stayed for three months). With more than a million copies in print, and available for the first time as a new and improved eBook, "The Jordan Rules" remains the ultimate inside look at one of the most legendary teams in sports history.PressestimmenNew York Newsday An engaging, sometimes cruelly funny behind-the-scenes look at the Bulls' tantrum-and doubt-filled but finally triumphant journey to the NBA title.Chicago Sun-Times The Jordan Rules...might be the best sports book since Season on the Brink about Bob Knight.Newsweek Jordan boasts a wicked tongue, and not just when it's hanging out as he dunks....[He] manages to blurt out enough in Smith's book to reveal his own narcissistic, trash-talking, obsessively competitive side.Associated Press The Jordan Rules entertains throughout, but the most fun comes from just hanging out with the players. Smith takes us into the locker room, aboard the team plane and team bus, and seats us on the bench during games. Sometimes, books reflecting on a team's success don't reach the personal level with the people who made it happen: The Jordan Rules does.Fred Barnes (The McLaughlin Group) The American Spectator A riveting account...what you want in a sports book: the behind-the-scenes stuff, a peek at the private side of the players, their hobbies and politics and religion, the way they get along or don't...It's fair to compare The Jordan Rules with the campaign books that appear after every presidential race....The difference is not only that The Jordan Rules explains more persuasively than most of the campaign chronicles how the winner was decided -- it's that it does so more interestingly and with more understanding of the human heart.KurzbeschreibungThe New York Times Bestseller, Now in eBook Format and Updated With a New IntroductionThis is the 20th anniversary of the explosive bestseller that changed the way the world viewed one of the greatest athletes in history, revealing for the first time Michael Jordan's relentless drive to win anything and everything, at any cost.
