Eine Geschichte aus eigenem ErlebenVon Ingrid MederAls Kennerin der rtlichkeiten wurde ich auf das Buch durch das Mani-Forum aufmerksam. Eine unterhaltsame Schilderung der Vorgnge rund um eine doch weitreichende Entscheidung in nicht mehr ganz jungem Alter. Der Autor entscheidet sich nach gravierenden privaten Ereignissen von England nach Griechenland auszuwandern. Genauer gesagt auf die Halbinsel Mani/Peloponnes.Vergnglich zu

Kurzbeschreibung  
The three years before our move to Greece was just a dream something to hold onto, something to aim for before we made it into a realisation. This book portrays life in our first year in the Mani and the previous three, the ups and downs, the laughter and the Sod it! Not again! The cold, wet, sun and heat that the climate has to offer and above all the warmth and love that the Greeks have. This true story reflects those four years and makes the story into an amusing series of anecdotes which, hopefully, will bring smiles to the faces of our readers. Enjoy!
