**Von Jerry Bridges : The Joy of Fearing God** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Joy of Fearing God:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.  
Excellent book, but missing some important observationsVon Ein KundeI enjoyed Bridges lofty view of God and his easy writing style. However, I came to the book looking for more and didn't get it. Bridges should have developed the most important basis for fearing God in more detail. We reap what we sow. Paul Reminds us "do not be deceived, the wrath of God visits those who do such things." I put this book down disappointed that the author did not develpt this

important theme. I came to this book hungry to know why I should fear God, and came away partially satisfied.0 von 0 Kunden fanden die folgende Rezension hilfreich. The book you MUST read to know God more deeply.Von Ein Kunde"The Joy of Fearing God" is a great book to understand how we should have the proper relationship with God. It started by talking theological doctrine that sounded very biblical based. Then, the author gave us some practical ways to exercise the knowledge we learn through the book. I had some dry time spiritually before I started reading this book. However, I forced myself to read this book to know what "the fear of God" really means. By reading through this book, God spoke to me and strengthened my faith. God prepared me to go through some huge trial happened recently in my life by using this book. If you have some doubt about God's love or God's goodness, read this book before you back off. However, it's very clear and understandable even for someone who doesn't like reading. Even English is my second language, it effected me so strongly. I especially recommend this book to Youth and College students. Also, it's great for parents. I have some disagreement with the author about the authority of employer and government, yet it doesn't change the value of this book. Please read it prayerfully and start having the Joy of fearing God! By J.I.

KurzbeschreibungWhat Kind of Relationship Can You Have with Someone You Fear?For most of us, fear is something we try to avoid. And fearing God hardly sounds like an occasion for joy. But Jerry Bridges shows how the fear of the Lord is actually the key that opens the door to a life of true knowledge, wisdom, blessing, and joy.We all want a deeper, more intimate relationship with Godone thats characterized by joy. But how does fearing God lead to joy? After all, arent we supposed to love Him and live in intimate relationship with Him? Jerry Bridges explores this paradox as he unpacks the biblical promise that God delights in those who fear Him. Join him as he unveils the awesome greatness of GodHis incredible holiness, deep wisdom, and especially His inspiring love. Youll gain a deeper understanding of who God is that will draw you into a truly biblical, and surprisingly delightful, fear of Goda fear that includes your own genuine, heartfelt delight in God.Youll make the startling discovery that the fear of the Lord, far from being something to avoid, is the key to joyful, fulfilling, and genuine intimacy with God. It can change your relationship with God and change your life! Discover the surprising Joy of Fearing God!From the Trade Paperback edition.PressestimmenThe Joy of Fearing God, like its author, is a timeless classic. Years ago I led a group study of this unique book, and we all found it deeply refreshing and rewarding in our walks with Christ. I have the highest regard for Jerry Bridges, and Im delighted to see one of his greatest books available for a new generation of readers! Randy Alcorn, author of Heaven and Happiness Reading Jerry Bridges is like eavesdropping on an angel enraptured by adoration. He understands the fear of God as an awe-filled reverence before the divine majesty. This book will expand the mind and loose the soul to soar on high. R. C. Sproul Only the fear of God has the power to disarm any other fear that would capture our hearts and control our lives. I am thankful that Jerry Bridges has written a book that defines and practically explains what the fear of God is all about and the beautiful effects it will have on our lives. Paul David Tripp, pastor, author, and conference speaker Jerry Bridges has deeply plumbed and warmly written about the gospel for decades. This work, The Joy of Fearing God, is no different. The fear of God he writes of in his classic work is one of intense, joyous, intimate relationship with a sovereign God who, though He demands perfect obedience, has nevertheless opened wide his arms of welcome to sinners. It is because we are conscious of both our own sinfulness and His indescribable condescension and love that we run into His presence with worship and awe. Im thankful for Bridges and his commitment to live under the gospel every day. You will be too. Elyse Fitzpatrick, author of Good News for Weary Women Joy and fear are not two words that usually go together. Jerry Bridges shows why they doindeed, mustgo together when it comes to our relationship with God. Drawing from deep wells of scriptural and historical reflection, Bridges introduces us to a God who amazes us with His power and woos us with His grace. Trevin Wax, managing editor of The Gospel Project, author of Clear Winter Nights and Holy Subversion This classic from Jerry Bridges is the epitome of a journey bookthe kind of book that isnt content to skim the surface of truth, but one that takes us by the hand and leads us into the depths of the knowledge of God. Its not merely about fearing God. Its about who God is, about what hes done in the gospel, and how we should live in the light of his reality. Jonathan Parnell, lead pastor, Cities Church, MinneapolisSt. PaulKurzbeschreibungWhat Kind of Relationship Can You Have with Someone You Fear?For most of us, fear is something we try to avoid.
