PreuThese Stirlings' Editions are just beautifully crafted with skilled illustrations and you get the major classics of Rudyard Kipling for a really small price. The eleven year old boy loved it as his best birthday present, and he is a keen reader, I will certainly look out for this Stirling Editions if I want to give away a book that expresses the joys of reading. And I would recommend the Jungle Book Original to anyone who just knows the Disney Classic, not because the book is far more complex, and yet, once you get hooked on the Jungle Book, you wish there was more to it. Well here it is. Enjoy Kipling's Animal Kingdom from the Jungles of India, over the South Pole and back to Australia - a book trip for your vivid imagination0 von 0 Kunden fanden die folgende Rezension hilfreich. Not what I expectedVon ({{}})On seeing the title of this book, I thought it must be a continuation of The Jungle Book (English Edition). It is actually a mixture of stories abot Mowgli and Co. (both during the time of the previous book and after) and other unrelated but still interesting stories by Kipling. Mowgli has changed little and his fans will definitely enjoy this book, because even though it contains mostly shorter tales, it is a long and satisfying book in Kiplings unforgettable style.0 von 0 Kunden fanden die folgende Rezension hilfreich. Abenteuer im DschungelVon GretaDie Geschichte von Mowgli, der bei den Tieren im Dschungel aufwchst und viele Abenteuer zu bestehen hat, drfte jedem bekannt sein. Gerade auch durch die vielen Verfilmungen (die neueste davon noch im Jahr 2016). Daher mchte ich hier nur noch sagen, dass mir auch diese Fassung aus der Reihe "All Time Favorites Collection" gut gefallen hat. Zum einen wegen des sehr gnstigen Preises, zum anderen aber auch, weil sie die Originalausgabe von Rudyard Kipling's Meisterwerk enthlt. Super!

The stories were first published in magazines in 1893/94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. These stories were written when Kipling lived in Vermont.
