**Von Andrew Murray : The Key to the Missionary Problem [Illustrated] (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Key to the Missionary Problem [Illustrated] (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Christian Missions The Way It Ought To Be How it can be.Von bwjr@iname.comIn 1901, New York City was the site of a large and important Christain Missions Conference. No less than revivalists and missionary luminaries, Dwight Moody, Smith Wigglesworth and Hudson Taylor tried to persuade Andrew Murray of South Africa to minister

wtih them. Andrew Murray declined - twice. The Missions Conference sessions were transcribed in their entirety and the manuscript sent to Murray. The Key to the Missionary Problem is his discerning and insightful response. He outlines in brief what he understood the other participants to say before launching an answer that hits a bullseye not even targeted by the others. A highlight from Chapter three gives a brilliant history of the Moravians (the present-day Brethren Congregationalists), the most successful missionary sending church since the days of Pentecost. Chapter six sets out a description of the evidence of the Holy Spirit in a Christian's life that should delight and challenge even today's believers. The Key to the Missionary Problem is a "must read" for all of us who hold dear the ideal of a personal walk with Jesus Christ.

Kurzbeschreibung Andrew Murray's classic "THE KEY TO THE MISSIONARY PROBLEM" was written in response to the 1900 Ecumenical Missionary Conference in New York. Murray had been invited by D. L. Moody to attend, but was unable to. This book is his response to their conclusions and reports - it is a very challenging and powerful statement on what is holding back missions and evangelism and the way forward. He focuses in on the underlying necessity of passion for Jesus and dependence on the Holy Spirit. Murray uses many illustrations from the Moravian missionary movement, as well as Hudson Taylor and the China Inland Mission to highlight his point. F. B. Meyer said of this book, "Of all books that I have ever read on the call of our Lord to the Evangelization of the world, this appeal by the beloved ANDREW MURRAY must stand in the front rank, if not first. My heart has been deeply moved by it, and I propose to read large portions of it to my people. If only it were read universally throughout our Churches, by ministers and people alike, I believe it would lead to one of the greatest revivals of Missionary enthusiasm that the world has ever known. It is deeply spiritual, interesting, and inspiring." 10 powerful chapters, including an overview of a week of prayer A dozen illustrations Spell-checked, fully searchable and with an optimized Table-of-Contents
