Von Elias Zapple : The King Tingaling Painting (Duke Michel Series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The King Tingaling Painting (Duke Michel Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 5 starsVon The Wizard of OzElias Zapple is a wonderful writer of books for children and young adults. Any one of his slug books is top of the shelf. They are joined there by his Duke and Michel series. This is number two, and has an edge built on the foundations the first one laid down. Great stuff and highly recommended.1 von 1 Kunden fanden die folgende Rezension hilfreich. Great fun for kids and adultsVon ConvokeZapple books are always rare treats for kids and grownups alike, and perfect for reading to youngsters. Don't worry that this Duke and Michel tale is part of a

series: Zapple orients you adroitly and... off you go, into a weird and wacky world full of incomparable Zapple humor. In this outing, Duke Michel has a mission: rescue Michel's family and Duke's Premium Nibbles from The Master, villain of the piece. But wait, the fun doesn't stop there: Duke and Michel become pawns in a struggle between the Master and King Tingaling, furious about a portrait painted of him with a pineapple, riches and his pig, Buttercup. Buttercup alone is worth the price of admission to this fun farce. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Kids need more ZAPPLE!! Von Al-Khemet Book Club Duke Michel: The King Tingaling Painting (Duke Michel series Book 2) by Elias Zapple is one of those bestselling children's books on Kindle that your child must have! It stimulates their imagination, this in turn contributes substantially towards your child growing up and being a great thinker and very creative and innovative, this is where it all starts parents, what you are putting into their minds now will eventually determine their appetite, so put fun and positive stuff in and Elias Zapple is a great writer of children's books and I strongly believe through his books he is breeding the next generation of GREATS.

Kurzbeschreibung THE SEQUEL TO DUKE MICHEL: THE MYSTERIOUS CORRIDOR IMAGINATIVE, EXCITING AND MAGICAL! DUKE MICHEL: THE KING TINGALING PAINTING Duke Michel must rescue Michel's family and Duke's Premium Nibbles from the villainous Master but end up becoming pawns in a battle between the Master and King Tingaling, who is still royally riled over a portrait of him in a compromising position with a pineapple, a wad of cash and his favourite pig - Buttercup. ber den Autor und weitere Mitwirkende Elias Zapple was not born in 1922, as some would have you believe. His date of birth is not really relevant anyway. What is relevant is that he arose out of a tulip that was growing in some old granny's garden in Camberwell. How he got to be in a tulip is not really clear, nor is it clear how he got out of the tulip, and years later wrote the smash hit musical, 'Love, be a Stranger', which was an international flop. After that success, he went on to work as a 19th century Victorian chimney sweep, when he was inspired to write the acclaimed series of books entitled 'Duke Michel'. It is believed the fumes from the chimneys did so much damage to Elias, that it was a miracle he ever ate a cupcake again. Later, he travelled back in time to the present, and went on a series of trips to many foreign and distant lands. During these travels, Elias met and listened to many interesting people, choosing to ignore all of them. He did, however, learn a couple of things: i) the earth is flat; and ii) you should never eat a banana when it's not ripe. Many questions are often asked by his adoring public. Are you human? How many chimpanzees can fit inside a fridge? What is that thing growing on the side of your head? To which Mr Zapple has always smiled, turned away and swum off into the sunset; having only once been bitten by an unfriendly shark. Elias Zapple continues to work towards the unification of Korea, and writing children's stories that parents will spend huge sums of money on. He wishes you all to know that every penny made from the books will go straight into his bank account, which he will then spend on a lavish, new tent.
