A "must read" for Christians desiring a powerful prayer lifeVon Ein KundeAn Unknown Christian expresses eloquently the reasons God calls us to prayer; what prayer is; the awesome power of God and His right to receive all honor and respect from His children; hindrances to prayer, and God's incredible promises to those who pray with a pure, unselfish motive for the sake of His Kingdom. This book has been an exceptional encouragement to me, and any Christian who reads it, I believe, will be taught more about effective, fervent prayer that touches the heart of God. The author addresses real issues which we all must grapple with and settle in our own hearts if we are to pursue a deeper life of prayer.0 von 0 Kunden fanden die folgende Rezension hilfreich. Mit das Beste ber Gebet das es gibtVon

FunmanDer Autor wollte unbekannt bleiben, hat was mit echter Demut zu tun. Ist vor ca. 100 Jahren geschrieben worden. Erwähnt auch "Praying Hyde", der in Indien so viel gewirkt hat. Hyde war derjenige, bei dem sich anderen Missionare beschwert haben, weil er so viel betet. Die Missionsgesellschaft sagte dann, "lasst den bloß beten". In diesem Sinne ist das Buch geschrieben. Wer beten lernen will, ist hier an der richtigen Adresse. Das Buch muss nicht von vorne nach hinten gelesen werden, kann irgendwo einfach aufgeschlagen werden, und man findet praxisnahe Gebetshilfe. Der Teufel hat kein wirkliches Problem wenn wir Bibel lesen. Der Beweis sind die leeren Gotteshäuser mit studierten Pastoren die ohne Vollmacht predigen. Wenn wir als Nachfolger Jesus beten, dann zittert Satan. Kein Wunder fällt es so schwer zu beten. Man wird müde, alles andere geht durch den Kopf, die Sorgen werden barmherzig, man steht in der Versuchung nur für sich selbst zu beten usw. Wer betet, und Bibel liest wird reif und brauchbar für das Reich Gottes. Hier ist die Anleitung wie man ein Betender wird, der das offene Ohr Gottes hat. Though I was already a christian and born again I didn't expect that I knew that little about prayer and after I read it I was shocked about my poor prayer life. It was probably written in the 19th century but lost none of its importance and value and probably its message is needed these days more than in any other days. It's not that complete and clear like Torrey's Power of Prayer which I consider to be the best book on prayer which I read so far yet I highly recommend this book because of its great purpose to encourage christians to get down on the knees and to pray, to live a life of prayer.

Kurzbeschreibung "How few there are among us who know what prevailing prayer really is! Every one of us would confess that we believe in prayer, yet how many of us truly believe in the power of prayer?" The Kneeling Christian is considered to be the most widely-read book on the topic of prayer. Written by an anonymous writer in the early 1900's, the enduring quality of the book lies in the no-fluff advice of the writer. It was his simple conviction that prayer was essential to a vibrant Christian life. This electronic edition features an active table of contents. The Kneeling Christian is part of The Fig Classic Series. To view more books in our catalog, visit us at [fig-books.com](http://fig-books.com). Synopsis Since its first publication, The Kneeling Christian has helped hundreds of thousands of believers discover the key to God's treasure house of blessing. This classic book on prayer, written by "An Unknown Author" sometime before the 1930's, answers the most basic and often-asked questions Christians have about prayer: "How shall I pray?" "What is prayer?" "Must I agonize?" "Does God always answer prayer?" "Who may pray?" Prayer, though an essential part of Christian experience, remains mysterious to many believers. The author set about to familiarize Christians with the source of power available to them through prayer. According to The Kneeling Christian, "All real growth in the spiritual life--all victory over temptation, all confidence and peace in the presence of difficulties and dangers, all repose of spirit in times of great disappointment or loss, all habitual communion with God--depends on the practice of secret prayer." This powerful, time-tested book points the way toward communion with God and all the life-changing benefits that derive from it.
