**Von Richard North Patterson : The Lasko Tangent** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lasko Tangent:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Glad I read it!Von CustomerIt was actually Degree of Guilt that led me to this book. I had heard it was great, and read over

the reader's reviews. One reader said it's best to read *The Lasko Tangent* first, since that's where Christopher Paget is first introduced. *The Lasko Tangent* was pretty good, although I thought *Degree of Guilt* was much better. I'm now eager to read all Patterson's books--he has a great style, with intricate plots, excellent characterization and sophisticated dialog. I'd enjoy any recommendations from other readers who particularly like this author.

1 von 1 Kunden fanden die folgende Rezension hilfreich. Something missing. Von Tam Sesto I like Patterson's work. However, I didn't care for this one. I found the story often confusing. Not very detailed, leaving me feeling as if there was missing pieces to the plot. Not his best!

0 von 0 Kunden fanden die folgende Rezension hilfreich. A well-written book. Von Ein Kunde "The Lasko tangent" is a very well-written book. The plot is refreshingly novel and the story-line does not insult the intelligence of the reader, unlike some novels of late (read "the best laid plans"). In short, it is a compulsive read!

**Kurzbeschreibung** William Lasco is a self-made multimillionaire who's got an eye for wealth and influence, the ear of the President, and a talent for using both to get what he wants. Now the Economic Crime Commission wants the corrupt, untouchable Lasko brought down - and US Attorney Christopher Paget is tipped to take on the job. To gather enough evidence to nail Lasko without alienating the White House, Paget has to go by the book. But Lasko makes his own rules. And eliminating his enemies is William Lasco's golden rule. . In *The Lasko Tangent*, Richard North Patterson has written an unstoppable thriller of one man's fight for justice - the man who became the hero of his phenomenal international bestseller, *Degree of Guilt*.

Pressestimmen A real writer, a thriller, and a good story. A terrific novelist. One of the best in the business. The intelligent reader's John Grisham. A real writer, a thriller, and a good story. "A terrific novelist. "One of the best in the business. "The intelligent reader's John Grisham. "Patterson is a natural storyteller who never breaks the thread of action. . . . A handsome job. The intelligent reader's John Grisham.
