Richtig gut Von Lanthanium Das eBook The Law of Attraction von Joshua Ray erhielt ich kostenlos - herzlichen Dank! Der Verfasser hat darin seine Erfahrungen mit dem Law of Attraction verarbeitet. Das Buch empfand ich als ehrlich und gut geschrieben. Ich habe es in etwa zwei Stunden komplett lesen können. Für jemanden, der sich Ziele setzen und sein Leben verbessern möchte, ist das Buch meiner Meinung nach einen Blick wert. Joshua Ray hat noch ein zweites Buch

ber LOA geschrieben, das sich mit dem biblischen Hintergrund von LOA beschäftigt: Jesus Demonstrates the Law of Attraction: Is Your Church Missing These Biblical Points? (English Edition)

Kurzbeschreibung If you wanted to get from the east coast to the west coast by car you would need several things to do this. You need a whole car; not just the tires, a frame, and a steering wheel. You need fuel for the car. You need a compass, a map, and a clear destination. Without all these elements, your chances of getting to where you need to go are severely limited. If you are looking for a book about the Law of Attraction that gives you greater detail on what it is and how it works, then this is the book. It's important to understand what LOA is and the major elements that make it up in order to use it effectively. The book examines all the important elements of LOA and then puts them together to help you reach your desired destination much faster. This is a practical guide to understanding and applying the law of attraction.
