A Legendary HalloweenVon Reflection HaikuI was introduced to SPOOKLEY by my kids who every Halloween, request to hear THE LEGEND OF THE SQUARE PUMPKIN year and year again. Teaching kids tolerance and being different can be great, this book is highly recommended also because it is beautifully written in verse and comes with a CD that his story can be sung and appreciated. Spookley is a square pumpkin and because he is not the usual round-shaped pumpkins, he has been made fun of terribly. It seems that his adversity prepares and strengthens Spookley's spirit for the great legendary role that he is going to undertake. Though it is hard for me to see Spookley go through so much teasing, the kids are thoroughly fascinated and focus on the right messages - they are intrigued by its unique shape and they want to know how this square pumpkin becomes the legend. First the story exerts sympathy from kids and later, their admiration. In the end, it has become our tradition to read about this colorful book and remember its lesson that is so splendidly told.

KurzbeschreibungOne day in the pumpkin patch the strangest little pumpkin hatched ... Spookley the Pumpkin was

different. All the other pumpkins teased him, until Spookley proved that being different can save the day! This perennial best-selling childrens book delivers a special message of tolerance and kindness that is just right for fall ... and any time of year! This fixed-layout ebook, which preserves the design and layout of the original print book, features read-along narration.
