Whether it's Christmas time or the fourth of July, I love reading this book with my younger relatives. It tells the story of the candy cane with so much emphasis on Jesus. Christmas has become very materialistic to children, but books like this put things in perspective. It takes an ordinary candy and makes it a symbol for Jesus- his death and his purity. This is my all time favorite childrens book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent book for classroomsVon Ein KundeI collect Christmas boks and this is a recent purchase. I read it to my 1st grade and give each child a candy cane to eat and one to take home. They tell the legend to family and friends.

KurzbeschreibungOne dark November night a stranger rides into a small prairie town. Who is he? Why has he come? The townspeople wish he were a doctor, a dressmaker, or a trader. But the children have the greatest wish of all, a deep, quiet, secret wish. Then a young girl named Lucy befriends the newcomer. When he reveals his identity and shares with her the legend of the candy cane, she discovers fulfillment of her wishes and the answer to her town's

dreams. Now will she share what she has learned? Warm, lavish illustrations by James Bernardin bring to life a timeless tale by Lori Walburg, a story that will help families celebrate the mystery and miracle of Christmas for many Christmases to come. For those who cringe at the creeping materialism surrounding Christmas, a pious story about the origins of the candy cane is definitely a change of pace. A stranger arrives in town one dreary November and begins hammering and sawing away at his newly rented storefront. When a small girl offers her help, she's in for a childhood fantasy-come-true, as it turns out all the shelves and counters are being built for a candy shop. After offering young Lucy gumdrops and lollipops, Mr. Sonneman launches into the history of the candy cane. With his guidance, she discovers that the upturned candy is in the shape of a j--for Jesus. Right side up it looks like a shepherd's staff. And the red stripes? The blood of Christ from his terrible whipping. Lucy and Mr. Sonneman set out on a quest to share this story with everyone in town. Their message (and their gift of the pepperminty red-and-white sticks) brings the whole town together in a joyful celebration of Christmas (and candy). James Bernardin's old-timey acrylic and colored pencil illustrations are reminiscent of Norman Rockwell, but depict both modern and biblical times. Candy canes will never taste quite the same again.
