without peerVon Ein KundeThe Letter of Marque (the entire series for that matter) goes so far beyond the swashbuckling cliché as to make the comparison irrelevant. O'Brian's ability to evoke a place, an era, an age is to my mind unprecedented. The series is actually so many chapters of one great work that will hook you completely, and leave you in awe of the mind that contained them.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungPatrick O'Brian's Aubrey-Maturin tales are widely acknowledged to be the greatest series of historical novels ever written. Now, for the first time, they are available in electronic book format, so a whole new generation of readers can be swept away on the adventure of a lifetime. This is the twelfth book in the series. Jack Aubrey is a naval officer, a post-captain of experience and capacity. When The Letter of Marque opens he has been struck off the Navy List for a crime he has not committed. With Aubrey is his friend and ship's surgeon Stephen Maturin, who is also an unofficial British intelligence agent. Maturin has bought for Aubrey his old ship the Surprise, so that the misery of ejection from the service can be palliated by the command of what Aubrey calls a private man-of-war a letter of marque, a privateer. Together they sail on a voyage which, if successful, might restore Aubrey to the rank, and the *raison d'être*, whose loss he so much regrets. Around these simple, ostensibly familiar elements Patrick O'Brian has written a novel of great narrative power, exploring his extraordinary world once more, in a tale full of human feeling and rarely matched in its drama..deWhen Jack Aubrey is unfairly deprived of his commission in the Royal Navy, Stephen Maturin comes to the rescue, purchasing the captain's former ship and outfitting it as a privateer, to be commanded by none other than Jack Aubrey. Soon the Surprise is off to sea, on a mission that Aubrey hopes will redeem his good name. The author's grasp of period detail is astonishing as ever--and so is his gift for pure entertainment..co.ukWhen Jack Aubrey is unfairly deprived of his commission in the Royal Navy, Stephen Maturin comes to the rescue, purchasing the captain's former ship and outfitting it as a privateer, to be commanded by none other than Jack Aubrey.
