Von David Brainerd, Jonathan Edwards : The Life and Diary of David Brainerd (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life and Diary of David Brainerd (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. A look into the heart of a man totally committed to God. Von Sue Christensen A facinating book; the combined efforts of three men to portray the story of David Brainerd. Mostly a diary of his days of going to the Indians in New Jersey and beyond in the early 1700's, it takes you through his very short life that was given that men might receive the gospel of Jesus Christ and be new creatures in Him. He was wiser in knowing what a true believer was than I have ever heard of. I loved hearing how changed and loving the Indians became, and how he used his time. I was impressed with the intensity of how he lived. I thank God for .com because otherwise I probably never would have found this book. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Daily insight into the life of a man of prayer. Von Christian and

Amanda Merlino The life and Diary Of David Brainerd is a convicting testimony of a life of pray. Giving great encouragement and insight to one seeking truth that is only revealed to the humble in heart. In these writing we have a glimpse of the inner chamber of a mans heart, the most secret place of a holy man. Brainerd's diary gives great hope and encouragement to the necessity of prayer. In this diary you see the life of prayer affecting the man and the ones prayed for. You see how the glory of god is places above one's self and their desires. How powerful is the conviction of the Holy Spirit upon the heathen, breaking down all bearers, because of the prayers of David Brainerd. I highly recommend this book for those seeking truth, truth beyond intellect and reasoning, truth revealed to the heart. I first heard of David Brainerd while reading 'E. M. Bounds, Man Of Prayer'. The Diary Of David Brainerd was one of the books read often by Bounds. I recommend reading 'The Complete Works of E. M. Bounds on Prayer.

Synopsis This compilation, taken from Jonathan Edwards's edited versions of "David Brainerd's Diary and Journal", offers a highly readable record of the life and labors of David Brainerd as he presented the gospel to American Indians in the face of many obstacles, both the external challenges of life in what was still the frontier of eighteenth-century America, and internal battles as he persevered through bouts of depression during his short but fruitful life. David Brainerd (1718-1747) was an early American missionary to the American Indians in New York, New Jersey, and eastern Pennsylvania. Christians all over the world continue to be inspired by his life of self-denial, his sincere and strenuous labor on behalf of others, and his devotion to prayer.
