**Von Einhard : The Life of Charlemagne (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life of Charlemagne (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An easy-reading biography of CharlemagneVon John M. FetchenContrary to popular belief, the "Dark Age," (AD 476-c.1200) was "dark" not because of the alleged backward nature of the time, but rather because of the lack of historical sources from the period. This biography, written by Einhard, who was a friend of the most famous monarch from the Dark Age, sheds some much-needed light into the political and military history of the period. Written soon after the death of Charlemagne in 814, Einhard tells us of his rise to power, his military campaigns, his dealings with the scheming Byzantines, his coronation as Holy Roman Emperor, and his unruly daughters. Throughout the narrative, Einhard strives to portray his King and friend in the best possible light. I highly recommend this book to any student of Medieval history, as well as to those who might have an interest in European monarchy. It is informative, easy-

reading, and a great primary source for those who study the history of the period.

Kurzbeschreibung Einhard (775 - 840) was a scholar and servant of Charlemagne and his son. Einhard's biography of Charlemagne is one of the most famous pieces of literature on the early Middle Ages. A table of contents is included. Kurzbeschreibung Einhard (775 - 840) was a scholar and servant of Charlemagne and his son.
