Von Elizabeth Gaskell : The Life of Charlotte Bronte (Girlebooks Classics) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life of Charlotte Bronte (Girlebooks Classics) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. An insight into Charlotte's life like no other. Von Nicola Madders (mg153788@st.mail.staffs.ac.ukThis book, written shortly after Charlotte's death by request of her father, shows the passionate and creative side to Charlotte's nature that her contemporary society were not aware of. You feel like you are actually watching her life pass by as Mrs. Gaskell

describes every minute detail concerning the Bronte parsonage and the nearby surroundings. It is a happy story, particularly when the Haworth house learnt the news of their publications, and in general it tells of a very contented household. There is a degree of poignancy, however, as the reader follows Charlotte through the loss of her beloved siblings one by one. When after their deaths she eventually finds happiness, it is very short-lived as her untimely demise occurs shortly after her union with Arthur Bell Nicholls. Mrs. Gaskell portrays her friend Charlotte as a warm and generous person and this book is a must for any Bronte lover. 3 von 3 Kunden fanden die folgende Rezension hilfreich. SAD BUT BRILLIANT Von Christian Clark Such sad lives were led by the the Bronte's, loneliness, loss, despair, all were experienced and fed into the imaginations of Charlotte, Emily and Anne. This book is a brilliant book by E C Gaskell (who I normally don't really like), it is basically a collection of letters by Charlotte and a great narrative, when speaking of the deaths of Emily, Anne and Charlotte, I actually felt tears in my eyes! 0 von 2 Kunden fanden die folgende Rezension hilfreich. War ein Geschenk für meine Schwiegertochter Von Carola Das Buch kann ich persönlich nicht bewerten, da es in Geschenk für meine Schwiegertochter war. Sie hatte es sich gewünscht.

Kurzbeschreibung First published in 1857, this posthumous biography chronicles Charlotte Brontë's life through her death in 1855 and immediate legacy. It was written by fellow novelist and friend, Elizabeth Gaskell. Although controversial due to the suppression of certain details of Charlotte's life that Gaskell deemed too conflicting with contemporary morals, it remains a rich source of information about the Brontës today. **Kurzbeschreibung** First published in 1857, this posthumous biography chronicles Charlotte Brontë's life through her death in 1855 and immediate legacy. It was written by fellow novelist and friend, Elizabeth Gaskell. Although controversial due to the suppression of certain details of Charlotte's life that Gaskell deemed too conflicting with contemporary morals, it remains a rich source of information about the Brontës today. **Synopsis** Two Volumes in One. Mrs. Gaskell's excellent *Life of Charlotte Brontë* roused a furor because of its candid statements about the Brontë family, particularly concerning the excesses of Branwell Brontë, the English writer noted for her novel *Jane Eyre*, who along with her sisters Anne Brontë and Emily Brontë, were almost as famous for their short, tragic lives as for their novels.
