**Von G. A. (George Alfred), 1832-1902 Henty : The Lion of the North: A Tale of the Times of Gustavus Adolphus** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lion of the North: A Tale of the Times of Gustavus Adolphus:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Good ReadVon Ein KundeG.A. Henty wrote 'boy's adventure books' a genre which has been somewhat unfashionable for a number of years. This is rather sad as writers such as Henty wrote quite rousing tales which managed to show the importance things such as honesty, courage, and initiative without being preachy.While the book's plotting and rendering of secondary characters are often skimpy, it is fast-paced, and has an excellent grasp on the historical era in

which it takes place.
