Von Kirk Tuck : The Lisbon Portfolio (The Henry White Portfolios Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lisbon Portfolio (The Henry White Portfolios Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannendes Buch, Lektorat htte etwas besser sein knnenVon Licht Spielerei"The Lisbon Portfolio" ist ein Agentenroman. Nicht besonders tief sinnig aber nett zu lesen. Die Geschichte spielt in Lissabon, die Hauptfigur (Henry White) ist wie der Autor ein in Texas lebender Fotograf.Die Geschichte ist spannend und es kann bis zum Schluss noch was schief gehen. Die Kapitel sind kurz und zeigen das Geschehen aus verschiedenen Blickwinkeln. Die Hauptfigur, Henry White, ist kein Superheld sondern jemand, der in eine Verschwrgung hineinstolpert und oft genug mehr Glck als Verstand hat.Als Agentenroman hat das Buch 4 Sterne verdient. Das Lektorat htte in der ersten Kindle-Version htte etwas besser sein knnen. Es soll aber bereits eine neuere Version geben, in denen die Fehlerchen bereinigt sind. Das soll auch fr die Print-Version gelten.5 Sterne gibt es von mir, weil ich das Buch nicht als normalen Agentenroman sehe. Zum einen verfolge ich seit lngerem en Blog des Autors und habe in dem Buch zig Bezge entdeckt. Zum anderen lsst Kirk in das Buch immer wieder seine Liebe zur Fotografie einflieen. Jemand, der mit Fotografie nichts am Hut hat, wir diese Passagen vielleicht lstig oder berflssig finden.0 von 0 Kunden fanden die folgende Rezension hilfreich. Couldn't stop readingVon Wolfgang LonienI "know" the author from his photography blog since years, and I have all his technical and non-fiction books as well, so I was very eager to read the Lisbon Portfolio.It's wonderful. [...] about it while reading the book, and it's a wonderful thriller/suspense/spy novel, mixed with what could only have been described by a photographer, so it's quite unique.Loved it, and I can really recommend to give it a try and to read it.

KurzbeschreibungThe Lisbon Portfolio is an action-adventure story in which our hero, photographer Henry White, is drawn into a web of corporate intrigue and murder while on assignment for a major, multi-national corporation in Lisbon, Portugal in 1999. Henry White doesn't know who to trust in this action packed and richly textured tale of spies and meeting planners. From the Russian Mafia to the CIA to a Chinese organization that specializes in stealing technology secrets, the bad guys are thick on the ground and Henry has to depend on his previous years of experience working as an intelligence researcher, under cover as a corporate photographer, to make it out of Lisbon alive----and to save the world from an invention that may unlock the frightening promise of making miniature nuclear bombs.KurzbeschreibungThe Lisbon Portfolio is an action-adventure story in which our hero, photographer Henry White, is drawn into a web of corporate intrigue and murder while on assignment for a major, multi-national corporation in Lisbon, Portugal in 1999.
