Von Ein KundeAs a teacher, I found this to be a totally uplifting book to use with kids of all ages. Its message is simple. Don't give up on your dreams. It is written in easy to read rhyming patterns and children seem to relate to it easily0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent for children and their parents Von maryannemeyers@prodigy.netThe Littlest Tall Fellow not only addresses the concerns of children who may be small in stature, but also hits home for anyone who was the youngest in a family.

It speaks to the human spirit in all of us.
