**Von Urszula Muskus : The Long Bridge: Out of the Gulags** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Long Bridge: Out of the Gulags:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
groartigVon SunnyEin groartiges Buch ber eines der wahrscheinlich unmenschlichsten Kapitel der menschlichen  
Geschichte! Gleichzeitig eine Geschichte voll unglaublicher Strke und Menschlichkeit ber eine Zeit so voll

Ungerechtigkeit und Schrecken, dass man es kaum für wahr halten möchte... Jeder, der mich beim Lesen dieses Buches gesehen hätte, hätte lachen und weinen, Überraschung und Protest gleichermaßen beobachten können. Urszula schreibt sehr persönlich über ihr Leben in russischer Gefangenschaft. Aber sie beschwert sich nicht über all die Ungerechtigkeit, sondern schreibt auf nüchterne, anerkennende Weise darüber, was die Gefangenen aus diesem Leben gemacht haben. Jeder, der der englischen Sprache mächtig ist, sollte dieses Buch lesen! Mehr Informationen und weitere reviews unter [www.urszula.co.uk](http://www.urszula.co.uk) :)

**Kurzbeschreibung** Urszula Muskus (1903-1972) spent sixteen years as a prisoner of Stalinist Russia. Torn from her industrious, middle class life following her husband's arrest, she was packed into a rail wagon and sent eastwards into Kazakhstan and Siberia. Cast into an alien world of political prisoners and depraved criminals she had to learn to survive to the best of her ability. 'The Long Bridge' was written over a period of fourteen years while she lived with her daughter in London, and translated after her death. Rich in stories of love and parting, long train journeys and forced marches on foot, other women prisoners, violent guards and bandit molls, it comes from a strong spirit who looked on her world with an unwavering eye.

**über den Autor und weitere Mitwirkende** Urszula Muskus was born in Poland in 1903. She witnessed the German invasion of her country and handover to the Soviet Union. Separated from her husband she was sent with her children into the Gulag Archipelago, eventually separated from them. She survived and they were eventually reunited in England. Urszula Muskus died in 1972 leaving her story in fragments scattered at her feet.
