the Winter Solstice: Seasonal celebrations to honour nature's ever-turning wheel:

KurzbeschreibungThe Celtic seasonal wheel is based on eight festivals Winter Solstice, Imbolc, Spring Equinox, Beltane, Summer Solstice, Lughnasadh, Autumn Equinox and Samhain. Together, these lead us through the cycle of the year, aligning our awareness with the seasonal pattern of the earth beneath our feet. In this, the third in a series of e-books on the solstices and equinoxes within this sacred cycle, Danu Forest reveals the secrets of the Winter Solstice, when the sun appears to stand still and the days are at their shortest. This is a festival of renewal and rebirth; a time for rest, reflecting on the past year and preparing for the new one. Throughout the text, Danu skilfully revives ancient traditions and encourages us to reconnect with nature, and ourselves, with a host of practical rituals. Decorate your home with handcrafted orange pomanders and holly wreaths. Meditate on the changing heavens with Celtic star lore. Cast a mistletoe spell for creativity, make mulled wine charm sachets or imbue a brew and enjoy next to a roaring Solstice fire. Experience the magic of rebirth with a magical guided visualization. Based on sound extensive research, as well as many years of practical experience through both personal practice and teaching, the book will act as a guide for weaving a new, more soulful way of living into readers everyday existence.
