He shares the Mayan insight of the importance of our heart connection to our survival and ability to thrive during these times. Plus *The Mayan Ouroboros* reveals: The untold positive side of the Mayan prophecies The Mayan End Time--a seven-year period of transition which began in 2007 The magnetic pole shift that is currently affecting humans around the world The new ways in which humans will begin to perceive and communicate in the world. The discovery of thousands of ancient Mayan codexes that are currently being decoded by the Mayans
