Von Howard Pyle : The Merry Adventures of Robin Hood (First Avenue Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Merry Adventures of Robin Hood (First Avenue Classics):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. The Adventures of Robin Hood Von Ein Kunde I thought this was a great book! It was exciting and made me want to come

back for some more. The story was very easy to follow. I would read this book over and over again and still not get tired of it. I thought the plot was especially good. Though there were many different characters in the same spot at times, I thought that the large amount of characters gave this book a twist. This story in particular is very interesting and is sometimes comical. It is about Robin Hood and his group of Merry Men hiding in Sherwood Forest from the Sheriff of Nottingham. Whenever the sheriff sends someone into Sherwood Forest to catch Robin Hood, the man either ends up converted to the group of Merry Men or he ends up running out of the forest with arrows whizzing by his head. I thought this was one of the best written books that I have read. I would recommend this book to anyone who enjoys a good book and has a thirst for knowledge. 4 von 4 Kunden fanden die folgende Rezension hilfreich. An exhilarating, breath-taking classic! Von Jennifer Pyle's book is simply THE GREATEST version of the Robin Hood legend ever written (it is no wonder it has been in print for one hundred years). The poetic Medieval english is never too difficult for readers of a young age because the dialogue is stirring, a blood-rousing call to adventure with Robin and his merry men. Pyle perfectly captures everything that makes the Robin Hood legend still compelling today, without making the battles between noble Robin and the corrupt government of early England into a treacly, heavy-handed lesson in morals (unlike many of the books his contemporaries were writing). This book is especially fun to read aloud; it was a popular read with the kids I babysat for in high school. (Plus, what kid doesn't dream once in a while of running away and living in the forest, hunting deer with longbows, and showing off in front of the damsel of his dreams by defeating the "bad guy" in a duel of broadswords?) 1 von 1 Kunden fanden die folgende Rezension hilfreich. Pyle's book is a delightful, definitive tale of Robin Hood. Von Ein Kunde Seldom does one come across such a fresh, delightful storyteller as is Pyle. His use of language archaic even in his day brings a sense that perhaps Will Scathlock himself, "as full of tales as an egg is of meat," sits at your shoulder reeling off his master's merry adventures. In these days of complicated plots and subplots, of heroes beset as much by their own angst as foes, this book shines as a gem of uncomplicated reading pleasure for all ages. Though some may feel the language too dense for younger readers, I would highly recommend Pyle to any parent. True, he/she may have to put up with a few "I wot's" and "Marry, methinks," but this seems to me harmless enough, and though there is violence, there is also consequence and remorse. Finally, unlike some books for young reader, this book will probably find itself in the parent's hands as well

Kurzbeschreibung Ballads, legends, and poems about the legendary Robin Hood have been around since the middle ages. In *The Merry Adventures of Robin Hood*, the bandit and his merry men ramble through the Sherwood Forest in England, stealing from those who are weighed down with too much gold and giving the plunder to villagers who don't have enough money to feed themselves. Thanks to this set of stories, Robin Hood became commonly known as a hero and friend to those in need. American author and illustrator Howard Pyle created this compilation of legends for children, first published in the United States in 1883. Pressestimmen [Pyle's work] struck me dumb with admiration. Vincent van Gogh, in a letter to his brother Kurzbeschreibung Ballads, legends, and poems about the legendary Robin Hood have been around since the middle ages.
