KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Great comic, but Kindle version lacking!Von D. TeichertLoved this series when it came out nearly 30 years ago. So I was exited as the Kindle version appeared. Sadly, Titan couldn't be bothered to adapt it to panel view, which makes it

unreadable on my Kindle Paperwhite :(Also, the position slider just goes to position 52, which makes it impossible to quickly scroll to a page that comes after that position. Thinking about giving it back.Sad :(
