Prophecies in the O.T. come to lifeVon Ein KundeBefore I read this book, I had no knowledge of the Old Testament and had no real desire to study it. I had no idea of how the Old and New Testaments were interwoven. Now that I have

read this book, I am finally able to understand the perfection of the whole Bible. I now see how everything that is in the Old Testament serves to point ahead to the fulfillment of its prophecies. Booker explains how Jesus is the perfect High- priest and the perfect tabernacle. He shows you how Jesus is the perfect Lamb of the Passover . This book will give you a better understanding of God's word- thus giving you a greater passion for it.0 von 0 Kunden fanden die folgende Rezension hilfreich. A WONDERFUL christian education bookVon Ein KundeThis book will help us Christians to understand why the Old Testament and the New Testament are so different, and the thread that binds them together. It is so full of "meat" you will want read it over and over again to learn new things each time. I HIGHLY recommend this book to ALL my friends, so they too can have a bit more knowledge of our Father's word.0 von 0 Kunden fanden die folgende Rezension hilfreich. A nice work in an easily understood formatVon Ein KundeThis is a great tool for explaining the complexities so often associated with the Old Testament and for revealing how they were so prophetic of the New Testament. A must read for anyone struggling to see the big picture of how the scriptures work together to create a seamless living word.
