Von Udey Johnson : The Montreal Plateau: A traveler's guide to the essentials (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Montreal Plateau: A traveler's guide to the essentials (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Small booklet in big printVon BrutusOn 51 pages in big print, including 14 photos and 1 Screenshot from Google maps, you get some description of- 2 parcs- 4 streets- transportation: bike rental, metro system, taxi- 13 restaurants, eateries, caf, ice cream parlor- 5 food stores- Free Wi-Fi, a SIM card shop, a pharmacy chainAnd, potentially life-saving, a warning regarding the local driving habits.

KurzbeschreibungThe Montreal Plateau is one of the hippest neighborhoods of any metropolitan area in North America - but most first time visitors to this great city never even know it's there. It's a delightful tree-lined residential area criss-crossed by a few large avenues, spotted with wonderful parks, and home to everything from live theater, to authentic French restaurants, bookstores, bakeries, and chic specialty shops of every description. The Plateau is truly a walker's paradise as it is small enough to be easily traversed in the course of a day, yet big enough to offer the diversity and kind of eclectic attractions to keep you fully engaged and delighted as you wander around. This is the kind of neighborhood where cute little restaurants of every description - all with tantalizing menus - are frequently found tucked away in quiet, charming nooks and corners of otherwise completely non-commercial living areas. The bottom line is that the Montreal Plateau is an undiscovered treat for those who love to lose themselves in organic culture and ambiance without being constantly confronted with hordes of tourists doing the same thing. The Plateau is a gem in a world characterized by visitor saturation>Welcome to one of North America's best travel experiences - hidden in the largest French speaking city in the world outside of France - and a place that you will have all to yourself - along with those who make it home.KurzbeschreibungThe Montreal Plateau is one of the hippest neighborhoods of any metropolitan area in North America - but most first time visitors to this great city never even know it's there. A freelance writer and professional blogger for several years now, Udey has also had a long career in education which involved teaching at various schools, a community college, in adult education, and even a stint in the corporate world. Udey is now focused on writing full-time, currently working on non-fiction informational material and travel guides. You can also find Udey's work at his blog site - udeyjohnson.com An avid reader and hiker, Udey gravitates toward historical and non-fiction material - but loves a wide range of novelists as well. Among his favorite authors are Philip Kerr, William L. Shirer, Toni Morrison, Milan Kundera, and the historian Robert Wright - among many, many others. Udey calls the San Francisco Bay Area home, but also spends a lot of time north of the border in Montreal, Quebec.
