A comprehensive approach to teaching writing. It takes the teacher lesson-by-lesson to help a child improve with their creative writing. I used the approach for only the last 2 months of school and my students' scores improved dramatically. I am buying a copy for my grade-mate across the hall. She'll love it! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very helpful lessons! Von Ein Kunde This book gives great ideas for improving writing. It takes you through step by step directions, from the planning stage to the published work. There are many examples and book tie-ins included. Sections are also included for managing your writing program and responding to given prompts, like those found on standardized tests. The

organization and layout of this book make it very easy to use!
