Von SUZANNE WHITE : THE NEW CHINESE ASTROLOGY (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised THE NEW CHINESE ASTROLOGY (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. She sure does....Von HuGhWhy would she talk about her Family on all her Books! This is not an Astrology book, but an inane auto-Biography of the Author's ego.1 von 1 Kunden fanden die folgende Rezension hilfreich. Deep understanding and

excellent description of each animal

Suzanne White has a profound knowledge of the Chinese Zodiac. I haven't come across another book that describes so precisely and deeply each animal. I bought this book many years ago while I was travelling in Asia and since then I carry it wherever I go. Everytime I study the book I am surprised anew how good it describes the character or the person in question. Suzanne White goes far beyond the usual superficial list of attributes given in most other books on Chinese Astrology. She gives a very deep overall picture of the nature of each animal. This is the only book on Chinese Astrology I recommend.

Von aphipri.org
This book is fine if you're only looking for fun, fluffy info. If you are a dedicated follower of Chinese astrology, you'd be better off not taking this book too seriously (or maybe not reading it at all). There are countless errors in interpretation, and the author would do well to concentrate on more research the next time around, and less on trite generalizations based on her personal experiences. Other books I would recommend instead of this one: any of the Theodora Lau books, and definitely the Taoist Astrology ones.

Kurzbeschreibung
In THE NEW CHINESE ASTROLOGY, best-selling author and astrologer , Suzanne White, demystifies the complex Chinese Zodiac. She explains in-depth all 12 Animal Signs. Which Chinese sign is yours? Dragon? Dog? Rabbit? How does your sign affect your character? Dogs are worriers. Rats like to talk. Dragons love celebrations and Tigers are always gone somewhere. This amusing, yet serious, and informative volume describes each animal sign's individual characteristics, special capabilities and particular health problems. Suzanne White details how the five Chinese elements affect each sign. Discover the terrible Tiger's major weak spots. Find out why Rats get married so often. Learn what foods the Ox and the Horse should avoid and why Monkeys flee the spotlight. In THE NEW CHINESE ASTROLOGY, we also discover how people of the various signs combine and relate to one another as friends, lovers, and colleagues. Suzanne White clues us about which matches are truly harmonious-- and which unions are a recipe for disaster. She also notes which celebrities were born under the various signs, and offers valuable advice for improving one's personal destiny. Best of all, THE NEW CHINESE ASTROLOGY predicts what the next twelve years bode for you, your friends, and even your enemies!
Lively, accessible and witty, this book is full of sage advice. Whether you're a seasoned expert or just plain curious about your own or your loved ones' Chinese animal signs, THE NEW CHINESE ASTROLOGY is a marvelous resource in anyone's quest for understanding of self and of those we interact with every day.
