Great book - a must have for starting your own business from the heart successfully!Von HeikeLove this book. It provides helpful and pragmatic advise for creating a heart centered business from scratch - highly recommended for all who are ready to follow their calling and become successful with it - highly recommended, thanks! Please, I would love to have this book available in a printed version, too!0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute Möglichkeit die wichtigen Schritte beim Aufbau einer Selbstndigkeit zu lernenVon Lola Maria AmekorTolles Buch, essentielles Wissen zur Selbstndigkeit, absolut empfehlenswert!!!! Einfach, und kalr geschrieben! Es ist die Mhe wert auch fr Leute, die nicht so fit in Englisch sind!

KurzbeschreibungTransform your passion into your profession. Free agent entrepreneurs don't need money to start. Instead they conduct small pilot projects with good people who enjoy the same activities. We have helped thousands of people launch theaters, make music albums, open galleries, start-up cleaning or gardening businesses--activities they enjoy anyway. Projects grow into mighty oaks, which expand into entire forests. The only thing you need is the business fundamentals to envision, market and manage the money. This enjoyable manual shows you how to get rich slowly.KurzbeschreibungTransform your passion into your profession. Free agent entrepreneurs don't need money to start.
