**Von Jayne Li : The New HSK Vocabulary Levels 1-6 (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New HSK Vocabulary Levels 1-6 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Great consolidation of all the required vocab for HSK 1-6Von jameslpacoI am using this book as part of my preparation for HSK 3 and 4. It is very basic and serves to give the reader an overview of all the vocab in one place. Good thing is that it covers both, simplified as well as traditional, plus pinyin. At times, some translations to English are not completely

accurate and could be a bit more detailed. Some of the pinyin are also incorrect. This should not be the case for such a book, as it made me insecure of the accuracy in general and whether I am learning the correct pronunciation or not for all the other characters. Overall though, I was glad to finally have found a book with all the characters in one work and can thus recommend it.

KurzbeschreibungAre you studying for the HSK exam? Then this book is for you! This book contains all the HSK Chinese vocabulary for all six levels of the New HSK. The Chinese characters are presented in both simplified and traditional forms along with Pinyin and English.KurzbeschreibungAre you studying for the HSK exam? Then this book is for you!
