Von Tod Polson : The Noble Approach: Maurice Noble and the Zen of Animation Design before purchasing it in order to gage whether or not it would be worth my time, and all praised The Noble Approach: Maurice Noble and the Zen of Animation Design:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
FantasticVon Mister JonesHow wonderful that somebody decided to write a book about Maurice Noble.Ironic that practically EVERYBODY alive in the Western World knows this mans art and just about NOBODY knows his name.Hopefully this book will help to change that situation.A fantastic book about an important 20th Century artist and an in depth look into the mechanics and beauty of animation at its best.As an art historian....I would rate the artwork of the Golden Age of Warner Brothers Animation (in which Maurice Noble plays a key role) at least a few (if not MANY) notches ABOVE nearly everything hanging in any major art museum these days.GREAT ARTIST !!!!
GREAT BOOK !!!!

KurzbeschreibungThis extraordinary volume examines the life and animation philosophy of Maurice Noble, the noted American animation background artist and layout designer whose contributions to the industry span more than 60 years and include such cartoon classics as Duck Dodgers in the 24 th Century, What's Opera, Doc?, and The Road Runner Show. Revered throughout the animation world, his work serves as a foundation and reference point for the

current generation of animators, story artists, and designers. Written by Noble's longtime friend and colleague Tod Polson and based on the draft manuscript Noble worked on in the years before his death, this illuminating book passes on his approach to animation design from concept to final frame, illustrated with sketches and stunning original artwork spanning the full breadth of his career.

Pressestimmen

"The Noble Approach: Maurice Noble and the Zen of Animation Design" ranks among the most unique and delightful animation books in recent memory. It goes without saying that the book's well-balanced mix of technical tips and anecdotal advice makes it a must-buy title for professional artists and students, but it should also appeal to fans of classic of animation who will surely gain a renewed appreciation for the Chuck Jones canon." - Cartoon Brew

"an exquisitely designed art book..."

"The Noble Approach: Maurice Noble and the Zen of Animation Design" is a truly essential book that belongs in every animator's and animation fan's library." - AnimationWorldHoliday Gift Guide Pick - Ain't It Cool NewsHoliday Gift Guide Pick - Entertainment Weekly
