It has action, humor, a missing dog, an out-of-town mom, and a grandpa in jail. The children in the book are very real and my students could relate to their feelings and difficulties. The settings change from chapter to chapter and Betsy Byars writes just enough about each situation to keep you wanting more. This book helped my students learn the meaning of "suspense" and almost all of them gave the book a rating of nine or ten on a one to ten scale. I plan on ordering the audio version for some of my students next year.0 von 0 Kunden fanden die folgende Rezension hilfreich. Together Forever But Sometimes Apart! Von Ein Kunde Go into the world of funny things with Betsy Byars and The NotJust- Anybody Family. It's filled with trouble, mischief, and fun! The trouble begins when Pap goes into town. Somebody falls of the roof, someone goes to jail, someone breaks into jail, and people go to trial. Also, there is a runaway dog. All these funny and exciting things plus a teaspoon of sadness fit into this book. I hope I got your attention! P.S READ THIS BOOK!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book!! Von Ein Kunde This book was a fantastic read! I really enjoyed the adventures the kids went through to get their Granpa out of jail. I liked how the author wrote each little section from one of the family member's point of view. It was great book for people of all ages.

Kurzbeschreibung Newbery Award-winning author Betsy Byars's heartwarming and timeless books about the irrepressible Blossom family are back. In this introduction to the one-of-a-kind clan, Pap, the Blossoms grandfather, has landed himself in jail for disturbing the peace. Even though Junior is laid up in the hospital with two broken legs after jumping off the barn roof to test his new homemade wings, he and his sister and brother, Maggie and Vern, have come up with a plan to rescue Pap. A new generation of readers will fall head over heels for this engaging, hilarious family.
