Entertaining and touching for both children and adultsVon Ein KundeThis is one of my all-time favorite children's books by a wonderfully-talented author. My children, ages 4 and 6, enjoy reading it again and again as much as I do. It's wonderful to find a book that combines beautiful writing, a great plot, illustrations that enhance the story AND an important moral. This book would be a great choice for a Christmas gift.0 von 0 Kunden fanden die folgende Rezension hilfreich. A thoughtful look at the risks of loving.Von Ein KundeCynthia Rylant succeeds in convincing readers young and old that we take risks when we love, but that the rewards are worth it. The old woman's dog was "Lucky", and so is anyone who reads this book to a child

Kurzbeschreibung How does an old woman who has outlived all her friends keep from being lonely? By naming the things in her life she knows she will never outlive--like her house, Franklin, and her bed, Roxanne. When a shy brown puppy appears at her front gate, the old woman wont name it, because it might not outlive her. Tender watercolors capture the charm of this heartwarming story of an old woman who doesnt know shes lonely until she meets a plucky puppy who needs a name--and someone to love. Rylant and Brown together create with affection and lovingly humorous touches a glimpse of old age lived with relish.--Booklist
