Von Most Rev. Philip J. Furlong : The Old World and America (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Old World and America (English Edition):

KurzbeschreibungA famous 5th-8th grade world history text. Guides the student from Creation through the Flood, pre-historic people, the ancient East, Greeks, Romans, the triumph of the Church, Middle Ages, Renaissance, discovery of the New World and Protestant Revolt, ending with the early exploration of the New World. Includes study questions, tests, and topics for discussion. A great asset for home-schoolers and Catholic schools alike!
