**Von Tyndale : The One Year Bible Companion (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The One Year Bible Companion (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A real help in reading the Bible in one year! Von Soozie4Him I'd highly recommend buying "The One Year Bible Companion". The subtitle is "Questions and answers to help you make the most of your daily Bible reading". There are 4 questions and answers per daily reading. Also, the Companion lists the passages to be read for the day at the top, so you could read in this order but with your own Bible, if you don't own "The One Year Bible". The questions help

illuminate some of the sometimes confusing OT passages. The Companion also has brief introductions for all the books of the Bible. A bonus about "The One Year Bible Companion" - the cover is a very durable plastic-like cover. It's very durable and flexible. Just another added feature. And of course, it's available from ! That's where I got mine! :-  
) This method of Bible Study is great - this is my 2nd time through it. The first time, I got the reading schedule from Brio magazine and this time I'm using "The One Year Bible - New Living Translation". There are other translations available as well. Happy Bible Study, everyone!
