Von Liz Gallagher : The Opposite of Invisible before purchasing it in order to gage whether or not it would be worth my time, and all praised The Opposite of Invisible:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooAlice and Jewel (Julian). That's how it's always been. A seemingly invisible pair of sophomores at their high school. They've been friends for forever and are never without the other.Until the day Simon Murphy acknowledges Alice.Jewel jumps all over Alice, asking what it was about, but it wasn't anything,

really. Was it? Then Alice and Jewel go to a concert and Simon comes over to Alice while Jewel is in the restroom, and stays with the two of them throughout the show. Simon went so far as to ditch his friends to be with Alice. Nothing happens, and it leaves Alice more confused than before. Alice has wanted a boyfriend for ages, but she doesn't want to lose Jewel in the process. When things with Simon actually start working out, the distance between Alice and Jewel grows. After a confession from Jewel about his true feelings for her, the chasm seems insurmountable. Alice is finally coming out of her shell and making friends beyond Jewel, but losing her best friend leaves a void inside. Alice has to struggle to figure out who she is and what she really wants. Is having a great guy like Simon as a boyfriend what it's all about? Or is having a best friend that knows every little thing about you more important? All young adults have to struggle with an identity issue as they go through their teen years. Alice realizes that she needs more than just Jewel in her life, but soon learns that a best friend is next to impossible to replace. Ms. Gallagher writes an honest book about the internal struggles of an insecure girl. We all have that same insecurity inside of us and can understand what Alice has to figure out on her own. Definitely a book that everyone can relate to from some point in their lives. Reviewed by: Jaglvr

Kurzbeschreibung Alice and Jewel have been best friends since grade school. Together, they don't need anyone else, and together they blend into the background of high school. Invisible. To Alice, Jewel is the opposite of invisible. Jewel is her best friend who goes to Indie concerts and art shows with her. Jewel scoffs at school dances with her. Alice is so comfortable around Jewel that she can talk to him about almost anything. But she can't tell him that she likes the cool, popular Simon. And then Simon asks her to the school dance the same day that Jewel kisses her for the first time. Still, she can't say no to Simon. He seems like the easy choice, the one she's attracted to, the one she's ready for. But will it mean losing Jewel? In a bright debut novel set against the lively backdrop of Seattle, Alice must learn the difference between love and a crush, and what it means to be yourself when you're not sure who that is yet. From the Hardcover edition. Kurzbeschreibung Alice and Jewel have been best friends since grade school.
