Excellent guide for Vegas veterans and newbies alikeVon GregA fantastic counterpart to the podcast, I learnt a huge amount about the city and its hotels, bars, restaurants and casinos even though I've already been to Vegas repeatedly. Full of excellent information, amusing anecdotes and helpful advice from a seasoned Vegas veteran. Definitely worth

a read if you're even remotely interested in visiting.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr guter und humorvoller Führer für Vegas-Fans und solche, die es werden wollen ! Von Goofy-online Sehr guter und humorvoller Führer für Vegas-Fans und solche, die es werden wollen ! Vor allem, wer den Humor des herausragend empfehlenswerten Podcast "FiveHundybyMidnight" desselben Autors mag, wird diesen Reiseführer lieben ! Aber auch für alle anderen, die nur ein wenig des Englischen mächtig sind, ein tolles Lesevergnügen !

Kurzbeschreibung Along with what happens here stays here and Circus Circus isn't that bad, one of the biggest Las Vegas myths is that so-called insiders are the city's best sources of tips, reviews, and information. Often, however, obsessive Las Vegas visitors offer more trustworthy suggestions and accurate insights about the Las Vegas Strip and Fremont Street. An unapologetic Las Vegas outsider, author Tim Dressen shares advice, hints, and unfiltered opinions gathered as cohost of Five Hundy by Midnight, the Original Las Vegas Podcast, for more than a decade. With the same irreverent spirit as the podcast, The Outsiders Guide to Las Vegas is packed with useful information, entertaining perspectives, and more than a few off-the-rails rants. This is the Las Vegas guide by an outsider, inspired by outsiders, and for outsiders.
