Profound Influence on My Relationship with God! Von robert e. mabry Perhaps it is because Watchman Nee has not been compromised by the clutter of today or the prevalence of sin in the US, for his simple insights into the Word have changed my life. If there is a book through truly addresses the difference between "religion" and "relationship" and what God has done for each of us personally, this is the one. I thought Yancey or Chambers were great and they are, but perhaps it's his cultural perspective that adds a freshness I have not known. Chap 4. Based on Galatians 2:20 was especially meaningful. Most of the teachings of this book were from his addresses given in Shanghai in 1933. A must read for anyone that wants to go deeper in their relationship with our Lord

Kurzbeschreibung Prior to the publication of his well-known classic, *The Normal Christian Life*, Watchman Nee released a series of messages on the overcoming life. In many respects these messages are the basis for living the normal Christian life. Those who have read *The Normal Christian Life* will find that *The Overcoming Life* speaks with the same freshness, clarity, and surpassing originality. *The Overcoming Life* is not a call to attain an extraordinary measure of "spirituality." Rather, it is a call to normalcy, a call to pursue the life that is hidden with Christ in God. This call reverberates within seeking believers who, despite a keen awareness of their weakness, sense an inward call to overcome. In *The Overcoming Life* Watchman Nee exposes the problems besetting seeking Christians. Using God's Word, he examines the defeated state of believers. Then he opens up a revelation of the victorious, overcoming Christ, in order to guide the reader into an experience of Christ's victory. *The Overcoming Life* teems with truth, reverberates with hope, and brings the reader to renewed consecration.
