**Von Hilaire Belloc : The Path to Rome** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Path to Rome:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Magnificently erudite journal of a great journey to Rome.Von BoffinBelloc's wonderful book is not for those who only travel to say they have "been there". For those are the tourists. This delightful book is for those who journey and realize that looking at lighted windows and medieval towns built into ancient crags is what makes life worth living.

Written at the turn-of-the-century, Belloc's words flow magically and playfully to form a description not only of one writer's determined passage, but of a time already long gone. Simple pleasures are the best, especially when written by an artist with an eye for life itself.

**Kurzbeschreibung** This early work by world famous Anglo-French author and historian Hilaire Belloc was first published in 1902 and is both expensive and hard to find in its first edition. Considered to be his best work by many critics, it details a pilgrimage he made from central France across the Alps and down to Rome following in the footsteps of many a Christian pilgrim. More than just a travelogue, 'The Path to Rome' contains detailed descriptions of the people and places encountered along the way, his drawings of the route, humour, poesy, and his reflections of the events of the time as he marches along his solitary way.

**Kurzbeschreibung** This early work by world famous Anglo-French author and historian Hilaire Belloc was first published in 1902 and is both expensive and hard to find in its first edition. Considered to be his best work by many critics, it details a pilgrimage he made from central France across the Alps and down to Rome following in the footsteps of many a Christian pilgrim. More than just a travelogue, 'The Path to Rome' contains detailed descriptions of the people and places encountered along the way, his drawings of the route, humour, poesy, and his reflections of the events of the time as he marches along his solitary way.

**Synopsis** The author describes his experiences walking from France to Rome at the turn of the century.
