**Von Michael Freeman : The Photographer's Story: The Art of Visual Narrative (The Photographer's Eye Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Photographer's Story: The Art of Visual Narrative (The Photographer's Eye Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Canonical How-To tell a (visual) story... Von knieszporekOne photograph is for a thousand words, but how about more than one photographs?Useful for combining photographs to make each next one stronger impact on viewer.And for planning a session too.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein gelungener weiterer Teil einer tollen ReiheVon MonikaHabe auf diesen Teil sehr ungeduldig gewartet und er hat nicht enttäuscht. Sehr gute Ausarbeitung, schneller Versand und gute Verpackung.Mehr will man eigentlich gar nicht haben :))

KurzbeschreibungHaving already taught you how to compose and interpret great photos, Michael Freeman now

continues his best-selling series by exploring the most successful methods for presenting photography meaningfully and in an engaging format. This is the critical next step that separates adequate image galleries from captivating collections and disinterested viewers from enthralled audiences. Tapping into his decades of experience shooting for such publications as Smithsonian, GEO, and Cond Nast Traveller (among many others), Michael Freeman studies the photo-essay phenomenon that took the world by storm and gave storytellers a completely new set of tools to construct their narratives. Having established how rhythm, pacing, and careful organisation build tension and cultivate interest, Freeman goes on to explain what this means for presenting your own photos, particularly in the new digital formats of online galleries, slideshows, and tablets. The Photographers Story will enliven your images, refresh your perspective, and elevate your understanding of how photographs work together to tell a story. Your audiences will thank you for it.

*Kurzbeschreibung* Having already taught you how to compose and interpret great photos, Michael Freeman now continues his best-selling series by exploring the most successful methods for presenting photography meaningfully and in an engaging format. This is the critical next step that separates adequate image galleries from captivating collections and disinterested viewers from enthralled audiences. *ber den Autor und weitere Mitwirkende* Michael Freeman, professional photographer and best-selling author, was born in England in 1945, took a Masters in Geography at Brasenose College, Oxford University, and then worked in advertising in London for six years. In 1971 he made the life-changing decision to travel up the with two secondhand cameras, and when Time-Life used many of the pictures he came back with, he embarked on a full-time photographic career. Since then, working for clients that include all the world's major magazines, most notably the Smithsonian Magazine (for which he has shot more than 40 stories over 30 years), Freeman's reputation as one of the world's leading reportage photographers has been consolidated. Of his many books, which have sold over 4 million copies worldwide, more than 60 titles are on the practice of photography. For this photographic educational work he was awarded the Prix Louis Philippe Clerc by the French Ministry of Culture. Freeman's books on photography have been translated into 27 languages.
