KurzbeschreibungThe Pilot Factor is a new approach to Crew Resource Management (CRM) that will empower your team to achieve a new level of safety and efficiency by learning or acquiring three key skills: Communication, Leadership and Experience. The concepts are introduced through the use of real stories, making The Pilot Factor an enjoyable yet powerful read. It is not an academic book written for scholars, but rather a down-to-earth, simple book written for pilots to enjoy and learn more about the challenges and tools of a multi-crew cockpit.The CRM Revolution is coming...KurzbeschreibungThe Pilot Factor is a new approach to Crew Resource Management (CRM) that will empower your team to achieve a new level of safety and efficiency by learning or acquiring three key skills: Communication, Leadership and Experience.
