Von Robert Julyan : The Place Names of New Mexico (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Place Names of New Mexico (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. A treasure book of place names -now and of yesteryear. Von Ein Kunde An excellent reference and history book with easy-to-read print. Anyone interested in 'treasure hunting', genealogy, or checking on marriage or death records will find this book a necessity. Town names come and go; some may have only existed for 16 years, or the name had been

changed over and over. This is the book for you. The mini-history lessons are interesting and valuable without putting the reader to sleep and the directions to the locations are clear and concise.

Kurzbeschreibung The Place Names of New Mexico is an invaluable guide to the state's geography and history. It explains more than 7,000 names of features large and small throughout the state--towns, mountains, rivers, canyons, counties, post offices, and even abandoned settlements--as well as providing relevant information about location, history, and current status. The revised edition contains more than fifty expanded and updated entries. The accounts are also journeys into New Mexico's past, offering glimpses of the lives and values of the people who named the place. Humor, tragedy, mystery, and daily life--they can all be found in this book.

ABOUT THE CONTRIBUTORS Robert Julyan is the author of numerous travel and New Mexico-related books. He resides in Albuquerque.

ACCLAIM "A truly wonderful book. . . . packed full with the history, geography, sociology, and anthropology of New Mexico." -- Names "An indispensable guide to the state's geography and history." -- Tradicin Revista "Julyan gives readers a treasure far surpassing the fabled golden cities." -- New Mexico Magazine "Tour de force comes to mind. . . .
