whether or not it would be worth my time, and all praised *The Playboy Interview: The Essentials* (English Edition):

Kurzbeschreibung"About the Series: In mid-1962, Playboy founder Hugh Hefner was given a partial transcript of an interview with Miles Davis. Fascinated, Hef sent the writerfuture Pulitzer Prizewinning author Alex Haley, an unknown at the timeback to glean even more opinion and insight from Davis. The resulting exchange, published in the September 1962 issue, became the first official Playboy Interview and kicked off a remarkable run of public inquisition that continues todayand that has featured just about every cultural titan of the past half century. To celebrate the interviews 50th anniversary, the editors of Playboy have assembled 13 compilations of the magazines most (in)famous interviewsfrom big mouths and wild men to sports gods and literary mavericks.
