Von Sidney Lanier : The Poems of Sidney Lanier (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Poems of Sidney Lanier (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. An 19th Century Materpiece! Von William Slater III Sidney Lanier was perhaps the greatest poet produced by the South during the the 19th Century. His descriptions of the nature and the Georgian Marshes of Glen, as in "the slant yellow beam of the sun doth seem like a lane from Heaven that leads to a dream..." and "belief overmasters doubt and I know that I know..." are words that feed the soul with the timeless nectar of wisdom and humanity. I treasure this book and any

student of the American South and/or of American Poetry will find Mr. Lanier's style of alliteration and assonance, together with his wonderful imagery to be a feast for the soul in solitude.
