Von Ronnie W. Floyd : The Power of Prayer and Fasting (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Power of Prayer and Fasting (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Awesome spirit-filled bookVon SuzieM13Having just read Bill Bright's book The Coming Revival, I thought, what could Ronnie Floyd's book teach me in addition about Fasting Prayer? DO NOT HESITATE to buy this book. It is

excellent. The story behind Jonathon Edward's "Sinners in the Hands of an Angry God" is riveting. We are just leading our church into Fasting Prayer now. I would recommend this book for anyone who is going to consider this incredibly powerful discipline. It took the gut-wrenching, illness of cancer in his wife, to bring him literally to his knees. It's those trials of life that strengthen us and teach us.0 von 0 Kunden fanden die folgende Rezension hilfreich.

Misrepresented ContextVon Joseph C. PoleyI recently heard Ronnie Floyd on a Christian talk show where both he and the host had nothing but accolades on the book. They gave me the impression that it was guidelines on how to go maximize your efforts of fasting and prayer to get closer to God. I couldn't get past the third chapter. Although he was sincere, it was nothing more than a testimonial of his love for his wife during her trial of cancer, which she won. It was not guidelines on how to prepare or to get the most out of a fasting/prayer experience, nor of the best routines for the process.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Very Good BookVon Joseph C. PoleyWhen I 1st purchased this book, I read the first three chapters and judged the book by basically it's cover. Luckily, I somehow kept getting drawn back to read more. I'm really glad I did for it turned out to be almost everything that I was looking for. I apologize to the Author for my quick and inaccurate assessment with my initial comments.

KurzbeschreibungThe hand-in-hand spiritual discipline of prayer and fasting is not a gimmick or a spiritual fad, although its neglect in recent decades makes it a new discovery for many Christians. Instead, as author Ronnie Floyd explains, prayer and fasting is a Scripture-ordained act of obediencea means of humbling ourselves before God, drawing closer to Him, and making room for Him to speak and act in our lives. This newly revised and updated edition of *The Power of Prayer and Fasting* offers fascinating firsthand stories of the difference prayer and fasting has made in Floyd's life and others, compelling explanations of how this discipline works in a Christian's life, practical guidance for those who have never fasted before, and a stirring call to revival. New material includes a chapter on fasting together as a church for the needs of one person, family, or the church itself.KurzbeschreibungThe hand-in-hand spiritual discipline of prayer and fasting is not a gimmick or a spiritual fad, although its neglect in recent decades makes it a new discovery for many Christians.
