Von E.M Delafield : The Provincial Lady in Russia (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Provincial Lady in Russia (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
Misleading titleVon David A. OsbornBeing a tremendous fan of EM Delafields "Diary of a Provincial Lady", "The Provincial Lady Goes Further", and the two subsequent novels, I was very excited to discover this previously unknown book in the series.However when I read it, I discoverd that "The Provincial Lady in Russia" is NOT a novel and it is NOT about "Time and Tide" magazine's "Provincial Lady".It is, actually, a fascinating factual account of EM Delafield's visit to communist Russia in the 1930's. It has been re-titled in the last 20 years by the publisher,

presumably to cash in on the current popularity of "The Provincial Lady" series. Please DO buy this book if you are interested in social history, English attitudes to communist Russia in the 30's, and witty, erudite, informative writing. But do NOT buy this book if you are looking for more tales about the Provincial Lady, her husband, their two children, Mademoiselle, the vicar's wife and Lady B! I find it insulting to the memory and work of EM Delafield (and tremendously insulting to us, her readers) that this book has been "re-branded" in such a cynical way.

Kurzbeschreibung THE PROVINCIAL LADY GOES TO RUSSIA In the last of the Provincial Lady books, she is now in Communist Russia, dealing with the soviet system But still manages to use her humour and wit in all possible scenarios. Kurzbeschreibung THE PROVINCIAL LADY GOES TO RUSSIA In the last of the Provincial Lady books, she is now in Communist Russia, dealing with the soviet system But still manages to use her humour and wit in all possible scenarios. Synopsis A provincial lady slogs through the mud of a collective farm, copes with Soviet trains and hotels and rubs shoulders with robust citizens, at a public beach.
