Sren, Nora Kingsley for one last time PERFECT!!!!Von Bianca @BJsBBAbout the story: It's 2015 and Sren, Nora, Kingsley and the rest, are still busy with that wedding at the scottish castle - just like in the last book But this time - after the wedding happened - Nora tells Sren the one story she's never told him before.They have until 9pm to talk about the past, because in just a few hours, something will happen - and we have NO IDEA WHAT!!!!!!And then we're back in 2005.She just left the convent and is now asking Kingsley for help.And he wants to help her - in turning her into the most famous dominatrix in New York.Nora always thought she's only submissive. She loves being Sren's sub.But secretly she enjoys being dominant - with Kingsley for example.And King - he always knew that his Priest's little girl wasn't a submissive.And then he begins to train her.....But the training is not the only challenge they face.There's the reigning Queen - Milady - to fight. And the Priest... he still wants Nora back...What will happen to the Priest the King Nora?Will this last secret destroy everything?What will happen at 9pm???.Will everybody survive this book?Will there be a Cliffhanger?Nope - I'm not telling you anything!!! _____ I LOOOOVED "THE QUEEN"!!!!I couldn't wait to get started ... I missed Nora, Sren and Kingsley.Even though I'm horribly anti-religious - I'm a tiiiiiny bit of a #Fangirl But then I didn't want to start reading, because once THE QUEEN has been read, the series will be OVER ..But of course you cannot NOT read a Tiffany Reisz book that just arrived on your kindle.But I took my time - spaced it out over a few days - slowly saying good-bye to my darlings.I cried a LOT!!!! I think I cried all through the book - but don't worry - that doesn't mean that somebody dies. (But it also doesn't mean that nobody dies)I loved and enjoyed and treasured every single word of this last Sinners book.I wish this series would never end. Maybe one day somebody will turn it a TV-Show, so that we can stare at Kings Priests all day long (preferably naked!) IF YOU'VE LOVED THE SINNERS THROUGH THE LAST 7 BOOKS - YOU WILL FALL IN LOVE WITH THEM ALL OVER AGAIN - FOR ONE LAST TIME!0 von 0 Kunden fanden die folgende Rezension hilfreich. THIS BOOK IS EVERYTHING AND THEN SOME!Von CassandraWhen I say I loved it...it doesn't even begin to cover it. It's like coming home after an emotional, funny, heartbreaking, amazing, stunning, very sexy trip and finally feel at peace.You have to have read the whole Original Sinners series in order to get the full effect of The Queen. The love, the tears, the hurt, the anger, the desperation, the relief, the trust, the bond. They are called the Unholy Trinity for a reason.There are books you enjoy and love and read straight through. And then there are books like the Original Sinners series that you devour. You worship the amazing writing by Tiffany Reisz and her creation of Sren, Nora and Kingsley. They are unique characters in a unique story which in the end has some simple messages. Love knows no boundaries. Love hurts. Love will help you fight through anything and for everything. Love is all about trust and honesty. A King needs his Queen and they both need a God to keep them in line.Yet nothing is easy when it comes to my beloved trio. The Queen continues where we were left in The Virgin. A wedding is about to happen and as it's the nature of a wedding feelings come to light and you feel full of love. And so it comes that Eleanor wants to make one final confession...no more lies and secrets. It's her story about how she became the Queen of the Underground. It's her journey of finally exploring her true nature and living the life that she wants.Of course Kingsley has a big say in this as well. And from the previous books you know that Sren is far from being happy about it. There are feelings that have to be dealt with, enemies to fight, cravings and longings that can't be ignored. Every little piece from the previous books finally falls in place and it's all coming together in full circle.We also meet a lot of our favorite other characters that play a vital part in that incredible love story.Tiffany Reisz is an outstanding writer that makes you feel all the feels. She starts her book with a mindf**** that tempts you to go to the end to know what's going on. But then again, it's reading the whole book having that in mind that makes this reading experience so special and unique, just like the story and the characters.I've cried a few times for various reasons, I laughed, I gasped, I swooned, I sighed...and was left with so much love and in a funk that I can't shake by now.Thankfully we don't have to say goodbye forever as Mrs. Reisz gifts her readers with a Christmas stories and some other nice treats if you follow her.This series was, is and will ALWAYS and FOREVER be my favorite series. It has EVERYTHING.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wunderschnes FinaleVon BefanaIch hab mir diesen Band (und die drei davor) in englischer Sprache gekauft, da sie in deutsch (noch??) nicht erhltlich sind. Schlielich will frau ja wissen, wie's weiter geht :-).In "The Queen" erfahrt man, wie aus Eleanor die Mistress Nora wird. Nicht nur, dass ihr eine Konkurrentin dieses Vorhaben schwer macht, nein, als sie glaubt es endlich geschafft zu haben, wird sie vor die Entscheidung gestellt, Mistress Nora aufzugeben oder Soren womglich fr immer zu verlieren...Naja, wir wissen ja, dass sie ihn nicht verliert, doch wie pffiffig sie das anstellt... ist einfach... Nora-like.Ach ja: es gibt auch ein Wiedersehen mit Zach.

KurzbeschreibungOnce upon a time, Nora and Sren made a fateful dealif he gave her everything, she would give him forever.The time has finally come to keep their promises.Out of money and out of options after her year-long exile, Eleanor Schreiber agrees to join forces with Kingsley Edge, the king of kink. After her first taste of power as a Dominant, Eleanor buries her old submissive self and transforms into Mistress Nora, the Red Queen. With the help of

a mysterious young man with a job even more illicit than her own, Nora squares off against a cunning rival in her quest to become the most respected, the most feared Dominatrix in the Underground. While new lovers and the sweet taste of freedom intoxicate Nora, she is tempted time and time again by Sren, her only love and the one man who refuses to bow to her. But when Sren accepts a new church assignment in a dangerous country, she must make an agonizing choice: will the queen keep her throne and let her lover go, or trade in her crown for Sren's collar?
