**Von Wayne Martindale, Jerry Root : The Quotable Lewis (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Quotable Lewis (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. An Excellent ToolVon Bethany McKinney FoxNot only is this book an excellent resource for Christian speakers/preachers/etc., but it can also be of usefulness an individual's personal life by offering words on joy, peace, death, etc. The quotes are topically organized, and the references back to the original works are very helpful when you can't quite remember exactly which book contains that C.S. Lewis quote that has been running through your mind

lately. This book is also helpful if you engage in theological conversations and/or debates. The quotes included in the book are good encapsulations of the gyst of many of Lewis' insights into human nature, Divine nature, and Divine human nature. Some sections that I have found especially helpful in informal philosophical debates are "Free Will", "Sin", "Human Nature", and "Love." Any diehard Lewis fan (without a photographic memory), who loves being able to quote him in sermons, academic papers or in conversation, could greatly benefit from having this book.0 von 0 Kunden fanden die folgende Rezension hilfreich. A fine resourceVon David GrahamThis book is a fine resource for looking up Lewis quotes or for thumbing through to read Lewis in a different light. The quotes are grouped alphabetically by topic (e.g. "courage", "experience", "joy", "Macdonald", or "Middle Ages"), being culled from the academic and popular works alike. Lewis enthusiasts (or pastors or priests or rabbis looking for material for their sermons) would do well to invest a few dollars and purchase this book. It comes equipped with a preface introduction, bibliography, a helpful index, and several pages of pictures.0 von 0 Kunden fanden die folgende Rezension hilfreich. I strongly recommend this book to true Christians everywhereVon Ein KundeI've thoroughly enjoyed reading the Quotable Lewis and continue to use it often in my study of the Gospel. C.S. Lewis is the greatest Christian Scholar of our time and in reading passages from his works in the Quotable Lewis I've gained greater insite into what being a Christian is all about.

KurzbeschreibungThis book presents more than 1,500 quotes from C. S. Lewis's writings, providing ready access to his thoughts on a variety of topics. An exhaustive index references key words and concepts, allowing readers to easily find quotes on any subject of interest.KurzbeschreibungThis book presents more than 1,500 quotes from C. S.
