Von OUP Oxford : The Resurrection: An Interdisciplinary Symposium on the Resurrection of Jesus before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Resurrection: An Interdisciplinary Symposium on the Resurrection of Jesus:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
"Resurrection" embodies a fine collection of scholarship Von sands THE RESURRECTION brings together a group of

scholars who portray the theological underpinnings of the Resurrection of Jesus. In addition, the various contributors establish that the three uncontested facts surrounding the Resurrection controversy (the empty tomb, the post-mortem appearances of Jesus, and the inexplicable origin of the Christian faith) favor the Resurrection hypothesis over and above modern-day liberal pedantics about unsupported presuppositions precluding miracles. The serious student of the Resurrection (if one already possesses a working knowledge of the Resurrection debate) will find this fascinating work an important element in attacking contemporary criticism of history's most fantastic truth: Jesus is risen.

Kurzbeschreibung`encourages further reflections on the mystery which lies at the heart of our faith.'Catholic Herald` Here, in these essays, we have Christian theology at its best, intellectually demanding and engaged with issues of central importance - a good combination.'The Tablet`This collection of papers is an international, ecumenical, and interdisciplinary study of Jesus' Resurrection that has emerged from the `Resurrection Summit' meeting held in New York at Easter 1996. The contributions represent mainstream scholarship on biblical studies, fundamental theology, systematic theology, philosophy, moral theology, and homiletics, and combine to offer a timely, wide-ranging, and well-balanced work on the central truth of Christianity.Pressestimment`thoroughly professional theology. ... Here, in these essays, we have Christian theology at its best, intellectually demanding and engaged with issues of central importance - a good combination. * The Tablet, 23 August 1997 * encourage further reflections on the mystery which lies at the heart of our faith. * Maryanne Traylen, Catholic Herald *Kurzbeschreibung`encourages further reflections on the mystery which lies at the heart of our faith.'Catholic Herald` Here, in these essays, we have Christian theology at its best, intellectually demanding and engaged with issues of central importance - a good combination.'The Tablet`This collection of papers is an international, ecumenical, and interdisciplinary study of Jesus' Resurrection that has emerged from the `Resurrection Summit' meeting held in New York at Easter 1996.
