An excellent introduction to Bible storiesVon Ein KundeThis is a great book to introduce Bible stories to very young children. The print is large with only a few words on each page. The illustrations are very bright using mainly primary colors. Research has shown that beginning readers enjoy rhymes and my son is no exception. The stories hit the high points and cover the major events in the Bible. This is definitely a bedtime favorite that can lead to much more indepth discussions down the road!0 von 0 Kunden fanden die folgende Rezension hilfreich. gifts for baptismVon Ein
